5.5	Study programmes of the Estonian Maritime Academy	
	Professional higher education studies	38
	Master's studies	38

6. In the study programmes taught in English, the tuition fee rate for 1 ECTS credit point of a course (excluding a graduation thesis and final exam) in euros for the first and second level part-time students and students in self-financed study places enrolled before the academic year 2017/2018 is the following:

Level/study programme	Before the academic year 2017/2018	
6.1	Study programmes of the School of Engineering	
	Bachelor's studies, Master's studies (excluding European Architecture)	47
	European Architecture	91.67
6.2	Study programmes of the School of Business and Governance	
	Bachelor's studies, Master's studies (excluding Work and Organizational Psychology, Technology Governance and Digital Transformation)	55
	Work and Organizational Psychology	51

⁵ The lower tuition fee rate is applied to students enrolled before the academic year 2013/2014.

	Technology Governance and Digital Transformations	43
6.3	Study programmes of the School of Information Technologies (excluding Cyber Security Engineering ⁶)	48 ⁷
6.4	Study programmes of the School of Science	47

7. The self-paid studies referred to in clauses 2, 5, and 6 mean the self-paid studies of:

7.1 a student, who has re-commenced studies and been matriculated, within two years, to the same study programme, from where he or she was exmatriculated; or

7.2 a student, who has re-commenced studies at the same level of higher education, where the student studied previously, before the triple (or double in case of the integrated Bachelor's and Master's study programmes) nominal duration period of the study programme has passed from commencement of studies at the same level of higher education, and the student has not covered the tuition costs of at least fifty per cent of the nominal duration of the study programme at the same level of higher education; or

7.3 a student who studies according to a self-paid study programme taught in a foreign language.

8. Full-time students, who have been matriculated in the academic years from 2013/2014 to 2016/2017 in the study programmes of the School of Business and Governance (excluding Bachelor's study in Logistics) taught in Estonian and who fail to complete cumulatively the nominal semester load subject to completion under the study programme, shall pay for the volume of study by which they fall short of the nominal load in accordance with the credit point price set out for the year of admission to Tallinn University of Technology.

9. Students from outside the European Union shall pay the tuition fee for two semesters before matriculation.

10. Tuition fee rates to be paid by students and external students for graduation thesis and final examinations

10.1 The credit point fee applied to a student and external student for a graduation thesis and final examination is 50% of the credit point fee rate of the relevant study programme of the School (excluding in the study programme European Architecture and in the joint study programme Public Sector Innovation and eGovernance). In case of a student, the fee rate is paid in accordance with the year of his/her matriculation and in case of an external student in accordance with the fee rate of the School's study programme in the year of defence of the graduation thesis or the final examination. In full-time studies in the study programmes with a semester fee, the fee for the graduation thesis and final examination is included in the semester fee and no separate fee is charged for them.

11. Fee for reviewing the admission documents

11.1 The one-time fee for reviewing the admission documents for persons not permanently resident in Estonia is 100 euros.

12. Payment of tuition fees and arrears

12.1 Full-time students studying in a study programme taught in Estonian free of charge, who fail to complete the cumulative semester load subject to completion under the study programme, shall pay the tuition fee for the credit points by which they fall short of the required load in accordance with the Academic Policies. A student who commences part-time studies or is studying part-time or is not studying according to a study programme taught in Estonian is requested to cover the cost of tuition i.e. pay the tuition fee. The tuition costs shall be reimbursed (payment of the tuition fee is required) based on the contract for reimbursement of the cost of tuition entered into between Tallinn University of Technology and the student and the fee rates established by the Council. The standard terms of the contract for reimbursement of tuition costs shall be approved by the Rector.

⁶ Students studying in the study programme Cyber Security Engineering shall pay a semester fee in the amount of 1200 euros regardless of the amount of declared credit points.

⁷ * Applied only in part-time studies

12.2 A student shall receive an invoice issued based on the Academic Policies or contract for reimbursement of tuition costs (payment of tuition fee). The deadline for payment of the invoice is ten calendar days from the submission of the invoice.

12.3 In case of a delay in the payment of the fee, fine for delay shall be charged from the student in the amount of 0.06% of the amount due for each calendar day the payment is delayed.

12.4 In the case the invoice specified in clause 13.2 is not paid on time, the deadline for payment of the invoice submitted for tuition shall be extended for three calendar months based on the student's application.

12.5 Any debt claims against a student arising from overdue tuition fee shall be transferred, in part or in full, to a third party or recovered through court.

13. A fee is charged for studying subjects not included in the study programmes. The Rector has the right to allow a student to study these subjects free of charge.
